What is Teens with Tots?

Teens with Tots is a new & exciting program offered by Fairfield County Help Me Grow. It is a program that offers support & help to those teenage parents who are in school or planning to graduate. The Teens with Tots program looks at issues, problems & hurdles that teenage parents face today. Together, we'll get that diploma or GED!

Family Activities

We have several family events throughout the year for you & your family to enjoy.

One on One Support

As a mother of grown children, Angie can provide individualized support and assistance or connect parents with other parents who have similar concerns.

**Come join our story-time
@ the Fairfield County
District Library!**

Information

We can help you find information on specific issues or concerns of teenage parents.

**Community
Resource
Referrals**

We can help you find & get connected with all the available community resources that your family may need & qualify for.

PALS Playgroup

PALS Playgroup meets twice per month & is a great way to work on socialization skills with your child.
