### **What is CARE?**

CARE is for expecting and/or new moms impacted by substance use. CARE provides these moms with additional resources and coordination of services.

CARE Manager and CARE Coordinator work within Fairfield County connecting mothers to additional support systems from local resources and agencies

Provide support for mother throughout pregnancy and through baby's first year of life

Advocate for expecting and/or new mother

Assist expecting mother with navigation of services, referrals, meetings, appointments, birth, transportation, etc.

Coordinate with community agencies to provide additional services for expecting and/or new mother

### **Services for CARE mothers:**

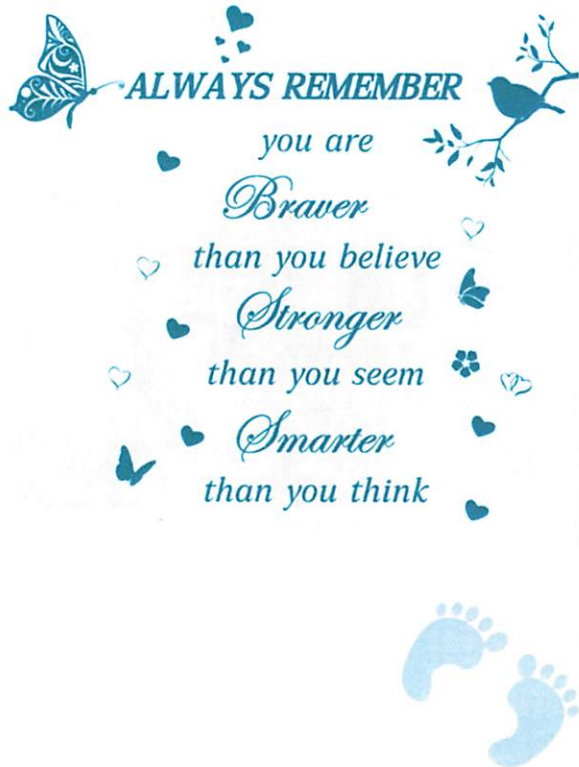

- \* Transportation assistance as needed for both mom and baby
- \* Linking mothers with prenatal care
- \* Connecting mothers to community resources for baby items (i.e. diapers, wipes, car seats, cribs, etc.)
- \* Referrals for Substance Use Disorder and/or Mental Health Treatment
- \* Education and assistance with daily basic life skills and addressing stress management

The most important role that the CARE Manager/Coordinator will have is.....

**Being there for the expecting and/or new mother and baby!!**

**ALWAYS REMEMBER**

you are

*Braver*

than you believe

*Stronger*

than you seem

*Smarter*

than you think
